**For Studio Courses**

For classes that meet three times a week:

Students can take 3 absences with no penalty; no documentation is required for the first 3 absences as they are automatically excused. If the fourth absence is unexcused, it will result in 5% deduction from the final grade. Excused or unexcused, on the fourth absence, a meeting is required with the instructor and/or area faculty to assess the student's continued participation in the course. If the fifth absence and all subsequent absences are unexcused, each will result in an

additional 5% deduction from the final grade. Opportunities to make up missed material for unexcused absences is up to the instructor's discretion and will be made available through virtual classes or online assignments.

- Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty: Illness—doctor's note must be on official letterhead with address and phone number, noting the date and time of visit and diagnosis verifying that an absence from class is warranted, doctor name and signature
- Serious family emergencies
- Special curricular requirements (e.g., judging trips, field trips, professional conferences)
- Military obligation
- Severe weather conditions
- Participation in official university activities such as music performances, athletic competition or debate
- Court-imposed legal obligations (e.g., jury duty or subpoena)

To help organize accommodations, students should inform the instructor by the end of the second week of classes of religious observances of their faith that will conflict with class attendance this semester.

**Tardy Policy: You are late after role has been taken/class has begun.**

- Points will be deducted for being late or leaving early for any reason.
- There will be a 5-minute grace period.
- 3 tardies for regular class meetings equal 1 unexcused absence.

**Make-up Policy:**

Excused absences (those that can be documented) may be made-up in the following manner:

- Approved Performance Event/Written Assignment (Due 2 weeks after excused absence)
- <http://www.shcc.ufl.edu/excuse.shtml> (Infirmary)
- <http://dso.ufl.edu/> (Dean of Students)
- If unable to dance, you may 'actively' observe one time for full credit.
- You will complete an observation paper due at the end of class.

Requirements/opportunities to make up missed material for unexcused absences is up to the instructor's discretion.

**Injuries are special cases.** If an injury occurs see/contact me immediately regarding absences, make-ups, or possible withdrawal from the class.

**Late assignments:** Unless otherwise indicated, all homework assignments are due in class on the date listed on the syllabus. An essay received after the due date is late.

**Studio Rules of Conduct:**

In effort to keep our dance space a peaceful, safe and clean environment for our students we ask that you observe the following:

- No gum- this is also for safety reasons since we don't want dancers choking.
- No talking, food or quick pick-me-ups during class. However, you may keep water bottles inside the studio for hydration provided they have caps to prevent spills.
- Turn off all cell phones before entering the studio. Please make this a habit. All phone calls must take place outside of the studio and NEVER during class time. If you have an emergency situation you should inform the instructor prior to the start of class. Ringing cell phones, texting etc. are disruptive to classroom activity. Please be considerate.

**Note:** To help organize accommodations, students should inform the instructor by the end of the second week of classes of religious observances of their faith that will conflict with class attendance this semester. Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty: illness (doctor's note must be on official letterhead with address and phone number, noting the date and time of visit and diagnosis verifying that an absence from class is warranted and when the return to class activity is expected, doctor name and signature), serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, participation in official university activities such as music performances, athletic competition or debate, court-imposed legal obligations (e.g., jury duty or subpoena).

### UF Absence Policy

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies, as follows:

**Source:** <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting.
- In general, acceptable reasons for absence from or failure to participate in class include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, religious holidays and participation in official university activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Other reasons also may be approved.
- You cannot participate in classes unless you are registered officially or approved to audit with evidence of having paid audit fees. The Office of the University Registrar provides official class rolls to instructors.
- If you do not participate in at least one of the first two class meetings of a course or laboratory in which you are registered, and you have not contacted the department to indicate your intent, you can be dropped from the course. You must not assume that you will be dropped, however.
- The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors can prohibit further attendance and subsequently assign a failing grade for excessive absences.

### Make-Up Policy:

### **Dance Technique Class – Makeup Policy:**

- You are responsible for all material covered during any absence
  - There are no makeup options for unexcused absences
  - Absences from Written Exams, Quizzes, Mid-Terms, and/or Finals may only be made up with approved documentation
  - To earn credit (amount of credit determined by the instructor) for an excused absence you must do two things:
    - 1) Immediately after your return to class, turn in approved/legal documentation to instructor. If you need the original documentation, the instructor will accept copies. You can email these to your instructor.
    - 2) Make-up the class with an approved assignment submitted on the required date. If the assignment is to attend another class as a make-up, the student must request permission of that instructor.
- If the student cannot attend class due to illness, the student may read fifteen pages from our required book and complete a reaction paper. These may be turned in through canvas as soon as the student is well or two weeks after the absence.**

## General Information:

### Student Injury and Illness Policy:

The Dance Area of SoTD believes that dance student's physical and mental well-being is paramount to success in all arenas of their dance training, from class to the stage. In the case of injury, fostering a productive and holistic response insures a speedy and effective recovery.

If the dance student becomes ill or injured to the degree that they cannot attend and participate in dance classes, SoTD sponsored rehearsals, or performances, the 5 steps of the dance student injury and illness policy are to be followed:

1. The student is required to see a health care professional immediately.
2. If the illness or injury prevents the student from participation in dance class, rehearsal, or performance, the student is to request documentation from the health care professional that explicitly projects the duration of the injury, and/or the amount and type of activity recommended for the welfare of the student.
3. Following the appointment with the health care professional, the student is required to bring medical recommendations and related documentation to the attention of his or her instructor(s), choreographer(s), or director(s) as the basis for discussion.
4. Unless otherwise medically advised, the student is prohibited from active participation in all related UF dance activities, classes, events, performances, etc. The student may not personally select one activity as having a higher priority over another. The student is not to dance in any events, activities, performances, or rehearsals if the student is not in dance class. If the infirmity culminates in a medical withdrawal, this is also a withdrawal from all performance related activities.
5. The student is never allowed to sacrifice classroom participation for the demands of a performance. The student will not be allowed to participate in a performance if they miss dance class due to an injury. The student is expected to follow the student injury and illness policy even if performances take place beyond the scope of SoTD, as with another UF, professional, or community performing group, etc.
