## **OBJECTIVES:**

To develop the graduate student's essential qualities needed to efficiently communicate and teach conceptual and practical topics related to the field of scenic design at an academic introductory level.

## **LEARNING OUTCOMES:**

After completing this course, the student should be able to:

1. Develop the syllabus and the class schedule along with other necessary teaching materials and use them to successfully expose and instruct undergraduate students at undergraduate level to the art of theatrical scenic design.
2. Develop the ability to teach any related class that combines practical knowledge and conceptual thinking.
3. Teach how to develop and communicate design ideas through sketches, renderings, models and technical drawings.

## **GRADING:**

The student will be evaluated based on:

- class observations (every two weeks)
- level of preparedness for each of the observed classes.
- the quality of the educational materials used
- the level of engagement of the students enrolled in the class. -the growth that his or her students demonstrate during class assignments and specific projects.

The student will meet with me once a week (at the minimum) to discuss the progress of the class, ask for feedback or advise and inform me about any teaching related concerns.

The grading scale will be as follows:

A	94-100 %	A-	90-93%	B+	87-89%
B	83-86%	B-	80-82%	C+	77-79%
C	73-76%	C-	70-72%	D	68-69%
		E	0-67%
